

CITY OF POQUOSON

Volunteers for Sidewalks/Pedestrian Accommodations Committee

Poquoson City Council is seeking volunteers from the community to serve on its newly created Sidewalk Committee. The Committee will develop a vision plan for identifying future sidewalk locations throughout the city to include consideration of various pedestrian and bicycle accommodations. Volunteers' commitment requires attending meetings, independently researching topics discussed, and a strong desire to improve the city's access for pedestrians and bicyclists.

Should you wish to serve on this committee, please call the City Manager's Office at 868-3000 and provide your name and contact information. The first meeting will be held in late July 2009.
